

Do you think
it's too late
for me?

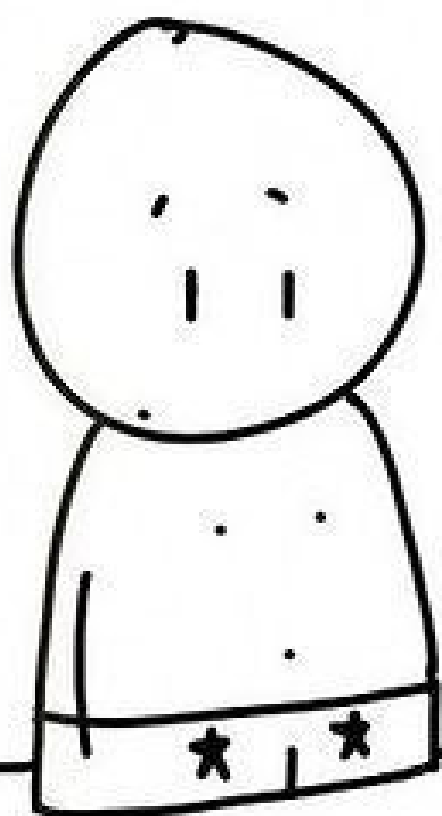

For what?

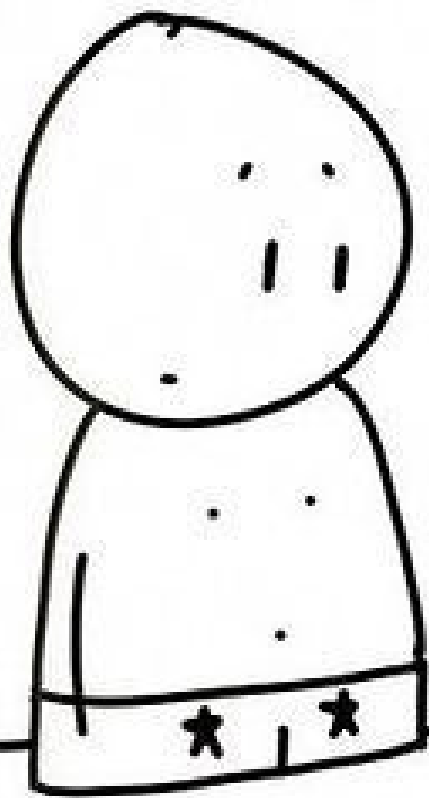

Lots of things...

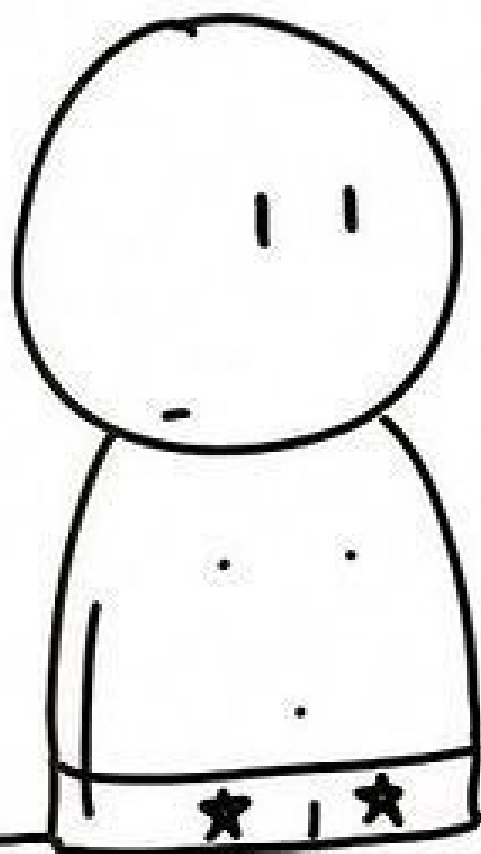

Like?

Like...

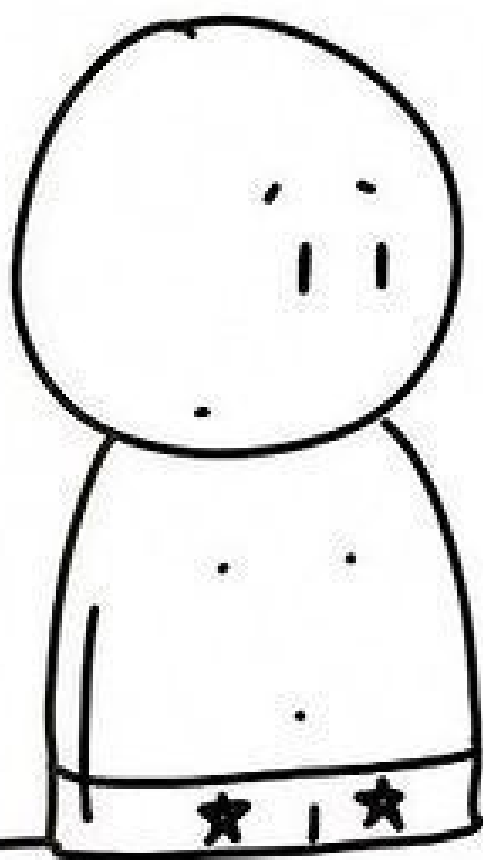

**Is it too late for me
to learn new things?**

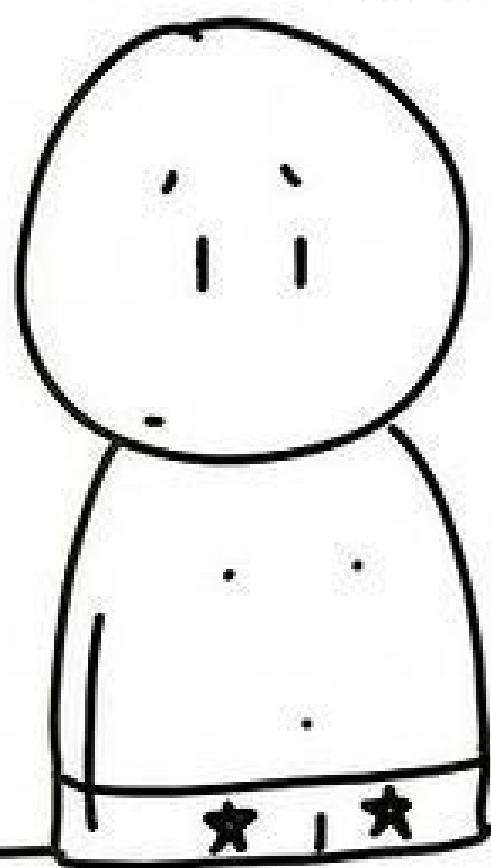

WILL I STRUGGLE?
WILL I EVEN BE
BE ABLE TO?

**Is it too late for me
to meet new people?**

CAN I MAKE NEW
FRIENDS?
OR AM I JUST
PAST THAT?

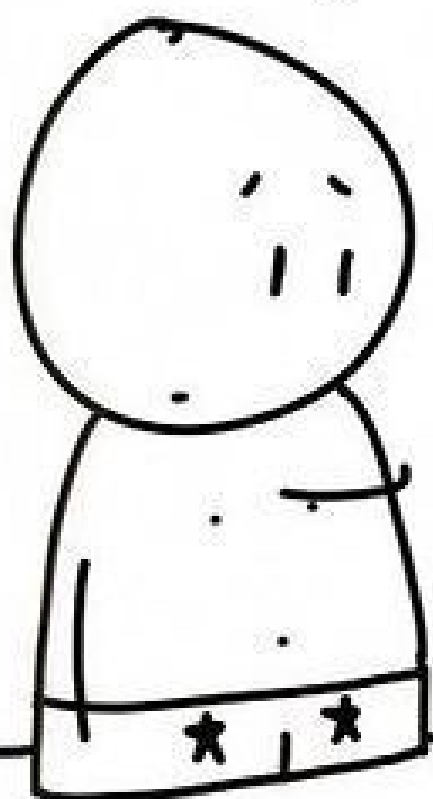

**Is it too late for me
to dream a new future
for myself?**

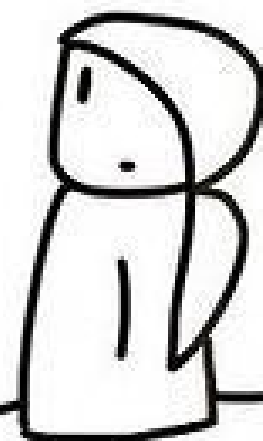

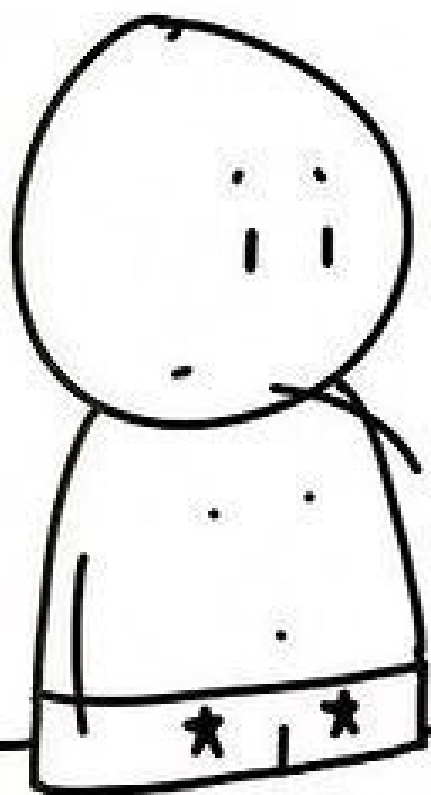

OR AM I NOT CAPABLE
OF CHANGING IT
ANYMORE?

**Do you think
it's too late
for me?**

**Only if you
believe it.**

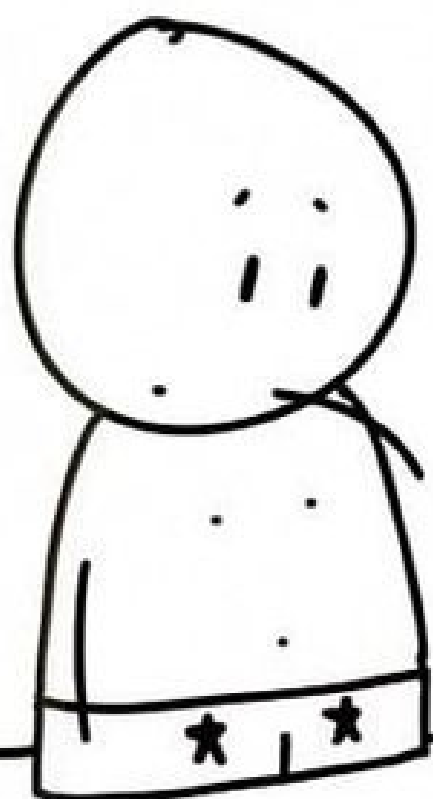

**If you believe it?
You won't even
try properly!**

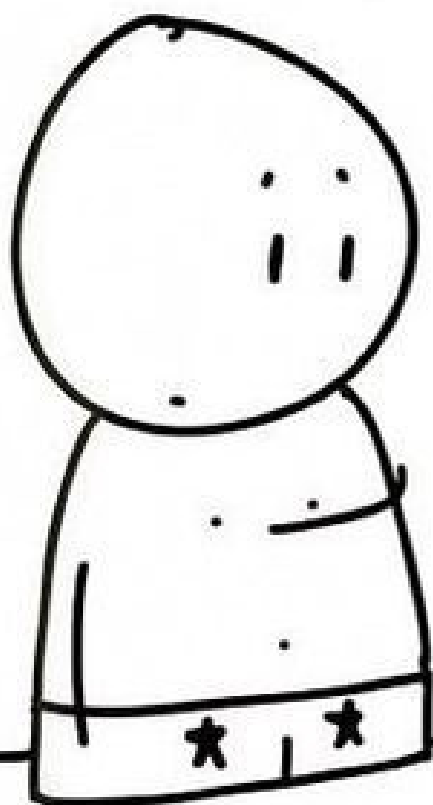

Yeah...

But if you
try and give it
your best?

**I might
succeed?**

Exactly!
